4) **Review the student’s record to ensure that they meet the requirements for graduation.** All classes should be complete or in progress. If there are incomplete requirements, you may freeze the audit at the preliminary level if you are certain the requirements will be fulfilled by the end of the semester. Ensure any necessary substitution/waiver requests have been submitted. *Audits must be at 100% completion for any of the **Final Graduation Authorizations (“Final Freezes”)** to be issued.*
